2024 Vocational/Technical School Scholarship

**Rules for Application
Application Form**

WEST KENTUCKY RURAL ELECTRIC COOPERATIVE CORPORATION
2024 VOCATIONAL/TECHNICAL SCHOLARSHIP
PROGRAM OVERVIEW

In 2024, one graduating high school senior will receive a \$1,000 vocational/technical scholarship from West Kentucky Rural Electric Cooperative Corporation. The scholarship is to be used toward tuition and required class materials and is available when the winner enrolls as a full-time student in an accredited vocational/technical school or program. The scholarship will be payable directly to the student upon adequate proof of enrollment.

West Kentucky RECC makes scholarships available to graduating high school seniors as a way of helping deserving young people further their education and prepare for a successful career.

To be eligible, the student must be a high school senior in good standing whose parent or guardian is a member of and receives electric service from West Kentucky RECC at their primary residence. The winning student must complete an application form, receive a favorable recommendation from a teacher or counselor and agree to abide by the terms and conditions as specified by West Kentucky RECC.

Applications are available from high school guidance offices, at the WKRECC business offices in Mayfield, Benton, and Murray and online at www.wkrecc.com. For additional questions, contact Jodie Hansen at West Kentucky RECC by calling 270-247-1321 or 877-495-7322.

West Kentucky RECC is a community-focused electric cooperative created to deliver affordable, reliable, and sustainable energy to more than 38,000 homes, businesses, farms, and schools. West Kentucky RECC is owned and led by the members we serve in Calloway, Carlisle, Graves, and Marshall counties and distributes energy generated by the Tennessee Valley Authority. For more information, visit our website at <https://wkrecc.com/>.

2024 VOCATIONAL/TECHNICAL SCHOLARSHIP PROGRAM RULES FOR PARTICIPATION

1. Eligible students include graduating high school seniors whose parent(s) or guardian is a member of and receives electric service from West Kentucky RECC at their primary residence. Children of West Kentucky RECC employees/directors are not eligible.
2. Applicants will be planning to enroll as a full-time student in an accredited vocational/technical school or program.
3. West Kentucky RECC will offer one vocational/technical scholarship valued at \$1,000 to help cover the cost of the school or program. Scholarship funds will be paid directly to the student upon written proof of enrollment and may be applied toward the cost of tuition, course supplies, instructional materials, lab fees and other costs directly related to education.
4. Eligible students must receive a written favorable recommendation from a teacher or guidance counselor.
5. Each participant must submit a completed West Kentucky RECC Vocational/Technical Scholarship Program Application Form, a transcript of grades and subjects taken in high school, and a written recommendation from a teacher or counselor. All submitted materials become the property of West Kentucky RECC and will not be returned. Deadline for entering the program is **March 4, 2024**. **Please note that completed applications should be submitted to your high school guidance counselor.**
6. Winners are encouraged to appear for recognition at the Cooperative's Annual Meeting (**July 13, 2024**). Winners will be recognized as part of the business meeting and photos will be made for cooperative communication purposes.
7. For clarification, West Kentucky RECC defines an eligible student as: A) a student who is expected to graduate at the completion of the academic year; B) whose parents/guardians are members of West Kentucky RECC and receive electric service from West Kentucky RECC at their primary residence; C) is actively pursuing enrollment in an acceptable vocational/technical institution, D) who has established a good academic record in high school, E) has a financial need; and F) demonstrates the aptitude and inclination to be a successful student and a valued employee in his/her chosen vocational/technical field.
