West Kentucky Rural Electric Cooperative Corporation

GenerLink™ Contract Agreement

Terms and Conditions

This agreement is between WKRECC and the member-signer(s) of this document. The member(s) acknowledges that he/she understands and agrees to abide by these terms and conditions.

1. If the member(s) enters into a payment plan agreement for purchase of their GenerLink™, payments will be billed on the associated account's regular monthly electric bill in the amount of \$100.00 (one hundred dollars) for five consecutive billing periods and shall be considered due upon the same date as the electric service. An initial payment is required to enter into the payment plan agreement. Initial payments equal the balance of total unit price less \$500.
2. The GenerLink™ system remains the property of WKRECC until which time the full price has been paid. The GenerLink™ system is subject to repossession if contract specifications are not met. In the event of repossession, no reimbursements shall be made.
3. If the associated account is closed prior to the term date, the member(s) will be responsible for the unbilled portion of the GenerLink™ payment at the time that the account is closed.
4. The GenerLink™ system can only be installed, serviced or removed by WKRECC representatives.
5. If a member(s) requests disconnection of the GenerLink™ system, no fee will be charged. However, if the member(s) moves to another location on the WKRECC system, a reconnection fee of \$25.00 (twenty five dollars) will be charged to move the GenerLink™ system.
6. Warranties are provided by the manufacturer and all claims must be handled by GenerLink™. 1-800-886-3837
7. Any warranties are provided by the GenerLink™ manufacturer. The member(s) shall hold WKRECC harmless from any liability in connection with the operation, service and installation of the GenerLink™ system. Interruption or failure of the GenerLink™ system shall not constitute a breach of this agreement, nor shall WKRECC, its officers, directors or employees be liable to the consumer or to third parties for any damages which might result from such interruption or failure.

As the member(s) entering into this contract, I/we agree to the terms of this contract.
