One Member, One Vote

In addition to the thousands of homes we serve, West Kentucky RECC also provides electricity for businesses, farms, churches, fire departments, clubs and other organizations. These are referred to as entity members. Our entity members are important, and we want to make sure each one has a voice when it comes to voting on cooperative business matters. WKRECC Bylaws state: Each individual member or entity member shall be entitled to one vote and no more upon each matter submitted to a vote at a meeting of the members. Therefore, anyone voting on behalf of an entity member must present evidence that he/she is the entity's authorized

representative.

All it takes to be an authorized entity voter is a signed and dated "Entity Voting Delegation" form on file with WKRECC prior to the annual meeting, due no later than June 30th, 2024. Forms are available at www.wkrecc.com or at any of our business offices. Call 270-247-1321 to request a form by mail. At the annual meeting registration, designated entity voting delegates will be able to cast a vote on behalf of the entity. Official identification is required. Questions? Call 270-247-1321 and ask for the President & CEO's office.
